I am aware that UNIVERSAL HEALING TAO® System is primarily an educational process enabling me to care for myself in a more informed way. I know that I am responsible for my own physical, emotional, mental, and spiritual well-being. This training will enable me to better understand myself and become capable of functioning more fully as a complete being in harmony with myself. I am not here to be treated for any illness, disease, or disability. With this Taoist meditation and Qi Gong practice after Grandmaster Mantak Chia no diagnoses are made, it can in no case replace the visit with the doctor.
