UHT Cosmic Healing Education Path

Basic recommendations for the use of the UHT Case Study Forms (CSF)

Students:

These UHT Case Study Forms are designed to help everyone improve the quality of teaching. There is no shame in saying 'I don't know that' or 'I didn't understand that' when asked questions after the Instructor's lesson. All personal data will be kept anonymous and confidential. The UHT Case Study Forms will be deleted after the evaluation of your Instructor.

Instructor:

All UHT Case Study Forms, depending on the exam you are aiming for, can be done as individual one-to-one sessions, but a maximum of 5 per student. A maximum of two thirds of the required UHT Case Study Forms can be approved for group teaching. Each participating student will complete a UHT Case Study Form after the group session. This is to ensure that at least one third of the required UHT Case Study Forms are completed as one-to-one sessions.
