

# Evaluation Fees with UHT Senior Instructors

Process of Evaluation includes

1. The UHT Senior Instructor is testing the Student or Instructor and is completing the evaluation form. For any type of evaluation, we have different evaluation forms, which can be downloaded. The UHT Senior Instructor hands over the evaluation form to the Student or Instructor (20 min.)
2. The UHT Senior Instructor needs to adapt the profile of the Student or Instructor into the UHT Instructor-Directory. The evaluating UHT Senior Instructor can add new Instructor profiles or can add new upgrades to already registered Instructors (10 min.)
3. Checking the cases should not be in details too accurate, as we want to see here rather that the candidates have gained practical experience. As we have no conclusive security that the cases filled out at home were all created by the candidate alone. So the cases more or less show the training practice

UHT Chi Nei Tsang 1-5	100 cases
UHT Cosmic Healing 1-2	20 cases
UHT FUSION 1-5	20 cases
UHT INNER ALCHEMY ASTROLOGY	20 cases

4. 30-60 minutes Evaluation Interview, depending on the type of evaluation. This is the major chance to test and find out the true knowledge of the exam candidate.
5. The certifying UHT Senior Instructor can download a standard certificate from the UHT Instructor-Directory, sign it and send it to Tao Garden Team to be signed by Grand-Master Mantak Chia, Tao Garden Team will send the final signed certificate back to the certifying UHT Senior Instructor.
