I am aware that Cosmic Healing is primarily an educational process enabling me to care for myself in a more informed way. I know that I am responsible for my own physical, emotional, mental, and spiritual well-being. This training in Cosmic Healing I will enable me to better understand myself and become capable of functioning more fully as a complete being in harmony with myself. I am not here to be treated for any illness, disease, or disability. With this taoist meditation and Qi Gong practice after Grand Master Mantak Chia no diagnoses are made, it can in no case replace the visit with the doctor.

In 15 steps through your Cosmic Healing 2 session

Before going into action, you do the anamnesis, which means to ask for serious diseases, , also whether being in treatment with a doctor or a psychotherapist. Also pregnancy is important to know. In all these cases, we ask respectful for permission to work on the Student's energy system. (Report see page 2)

Second you do the general cleaning of the complete body, to find out whether there are blockages, entanglements or trapped Chi. (Report see page 3, e.g. session 1, mark the body part)

With the insights of the cleaning, you choose third the use of the chi knife or the work with the connected colored Chi, ideally combined with the Holy-Water ceremony (Report see page 3, e.g. session 1, work on the marked bodypart).

All your actions within the sessions should be supported by a high degree of respect and humility.

1. Student's colon clean ?

2. Creating Chi Field

To protect you and your Student create a Chi-Field around your session place.

3. Activate World-Link 1

Connect your Higher Self (Personal Star) with the Student's Higher Self and your session place.

Invite your Student to do every day at home a 10-15 minute break to continue the healing:

"Dear Student, please sit down in the quiet zone at home. Hold a glass of water in your hand and connect with our last Cosmic Healing 1 session and imagine the session place, your teacher, and the connection of our dimmed light above our heads. Stay in this connection for a while and imagine the connection energy is going into the water. Drink the water and follow it flowing down and imagine the good energy radiating out in all of the cells of your body. In this home-session, you are connecting with your last session and reactivating this self-healing process again."

When your Student has left, do yourself a World-Link session alone, und work again with the Student's blockages using Chi-Knife or the colored Chi and send this energy to the Universe. Your Student will receive it, while connected with you any later time.
