**Dear Chi Nei Tsang Trainee,**

to reach the level of a 'UHT Chi Nei Tsang 2 Practitioner', 100 completed Case Study Forms are needed. To train and develop your skills, Grand-Master Mantak Chia wants you to show your Chi Nei Tsang practice for this part of your Chi Nei Tsang 2 education. Within each of the 100 sessions with Students (partners, clients, friends or relatives), several actions are necessary. Please observe the legal regulations valid in your country.

**Thank you very much !**

UHT Chi Nei Tsang 2 is an element of the Universal HEALING TAO System. I confirm that I will not publish, teach, or in any form or way attempt to impart the principles of the Universal Tao to the public, until such time as I have received personally from Master Mantak Chia, or his representative, the training and testing necessary to become a qualified practitioner of the Universal HEALING TAO Chi Nei Tsang 2 practices.

**Letter of agreement**

Hereby I confirm with my signature that I have been informed about the general conditions and principles of the treatment and agree with them. I have also been informed that all my data collection is voluntary. Furthermore, I agree that the treatment data, evaluations and documentation concerning me will be stored and stored for 10 years for the purpose of treatment by the above-mentioned institution. This also applies to any treatment data and findings from the treatment of external treatments that may have been transferred.

I am aware that I can revoke this consent in whole or in part at any time - for the future. This results in a cancellation of the treatment contract from the revocation date and a deletion of my documents after 10 years from revocation. My data is subject to confidentiality and will therefore be treated confidentially. The data will only be passed on to third parties with my consent, unless other regulations are prescribed by law.
