

Evaluation Fees with UHT Senior Instructors

The procedure of evaluation includes:

1. The UHT Senior Instructor is testing the Student or Instructor and is completing the evaluation form. For any type of evaluation, we have different evaluation forms, which can be downloaded from the UHT Instructor-Directory. The UHT Senior Instructor hands over the evaluation form to the Student or Instructor. (20 min)

2. The UHT Senior Instructor needs to adapt the profile of the Student or Instructor into the UHT Instructor-Directory. The evaluating UHT Senior Instructor can add new Instructor profiles or can add new upgrades to already registered Instructors. (10 min)

3. Checking the Case Study Forms should not be in details too accurate, as we want to see here rather that the candidates have gained practical experience. As we have no conclusive security that the Case Study Forms filled out at home were all created by the candidate alone. So the Case Study Forms more or less shows nothing more than the assumed training practice

UHT Chi Nei Tsang 1-5	100 Case Study Forms
UHT Cosmic Healing 1-2	20 Case Study Forms
UHT FUSION 1-5	20 Case Study Forms
UHT INNER ALCHEMY ASTROLOGY	20 Case Study Forms

4. 30-60 minutes Evaluation Interview, depending on the type of evaluation. This is the major chance to test and figure out the true knowledge of the exam candidate.

5. UHT Certificate signed by Grand-Master Chia - fee is 35 USD / 30 € (incl. shipping)

The certifying UHT Senior Instructor can download (ready soon ...) a standard UHT Certificate from the UHT Instructor-Directory, fill it out and send it by E-Mail to Tao Garden Certification Team to be printed out, signed and confirmed by Grand-Master Chia. The Tao Garden Certification Team will send the final signed certificate back to the certifying UHT Senior Instructor, who signs as well.

The certifying UHT Senior Instructor collects the 25 \$US / 20 € fee for the certificate from her/his Student or Instructor and transfers it to Tao Garden Certification Team. An updated certificate is not required for the registration in the UHT Instructor-Directory, the updated UHT Certified Instructor or UHT Associate Instructor can also upload the UHT Evaluation Form instead of a Certificate and save the 35 USD / 30 € certification fee (incl. shipping). For all UHT Instructor levels, a printed and signed certificate is mandatory.

6. The certifying UHT Senior Instructor hands over the new certificate to her/his Student or Instructor
