Evaluation Fees

with UHT Senior Instructors

The procedure of evaluation includes:

1. The UHT Senior Instructor examines the Student or Instructor and completes the UHT Evaluation Form. For any type of evaluation, we have different evaluation forms, which can be downloaded from our UHT Instructor-Directory. The UHT Senior Instructor hands over the evaluation form to the certified Student or Instructor. (20 min)
2. The UHT Senior Instructor needs to create a new profile for the student in our UHT Instructor-Directory or expand the profile of an instructor. The examining UHT Senior Instructor can add new instructor profiles or new upgrades to already registered instructors. (10 min)
3. The evaluation of the case study forms should not be too accurate as we want to be more sure that the candidates have gained sufficient practical experience. Since we do not know if the case study forms filled in at home were created solely by the candidate, the case study forms only show the candidates' training practice.

UHT Chi Nei Tsang 1-5	100 Case Study Forms
UHT Cosmic Healing 1-2	20 Case Study Forms
UHT FUSION 1-3, Kan & Li 1-3	20 Case Study Forms
UHT Inner Alchemy Astrology	20 Case Study Forms
UHT Iron Shirt 3 Bone Marrow Nei Kung	20 Case Study Forms

4. 30-60 minutes Evaluation Interview, depending on the type of evaluation. This is the major chance to test and figure out the true knowledge of the exam candidate.

5. UHT Certificates signed by Grand-Master Chia – fee is 35 USD / 30 € for printing and shipping. The certifying UHT Senior Instructor can download (in the process...) a standard UHT Certificate form from the UHT Instructor-Directory, send it by e-mail to Tao Garden Certification Team to be printed, signed and confirmed by Grand-Master Mantak Chia. The Tao Garden Certification Team will send the final signed certificate back to the certifying UHT Senior Instructor, who signs now as well. The certifying UHT Senior Instructor collects the 35 USD / 30 € fee for the certificate from her/his Student or Instructor and transfers it to Tao Garden Certification Team (PayPal is possible). An updated, already existing Certificate is not required for the registration in the UHT Instructor-Directory. The Student can also upload the UHT Evaluation Form instead of a certificate and save the 35 USD / 30 € certification fee. For all UHT Instructor levels, a printed and signed certificate is mandatory.

6. The certifying UHT Senior Instructor hands over the new certificate to her/his Student or Instructor
