Dear Chi Nei Tsang Trainee,

to reach the level of 'UHT Chi Nei Tsang 4', 100 completed Case Study Forms are needed. To train and develop your skills, Grand-Master Mantak Chia wants you to show your Chi Nei Tsang practice for this part of your Chi Nei Tsang 4 education. Within each of the 100 sessions with Students (partners, clients, friends or relatives), several actions are necessary. Please observe the legal regulations valid in your country.

Thank you very much !

UHT Chi Nei Tsang 4 is an element of the Universal HEALING TAO System. I confirm that I will not publish, teach, or in any form or way attempt to impart the principles of the Universal Tao to the public, until such time as I have received personally from Master Mantak Chia, or his representative, the training and testing necessary to become a qualified practitioner of the Universal HEALING TAO Chi Nei Tsang 4 practices.

I am aware that Chi Nei Tsang IV is primarily an educational process enabling me to care for myself in a more informed way. I know that I am responsible for my own physical, emotional, mental, and spiritual well-being. This training in Chi Nei Tsang IV will enable me to understand myself better and become capable of functioning more fully as a complete being in harmony with myself. I am not here to be treated for any illness, disease, or disability. With this Taoist meditation practice as taught by Master Mantak Chia no diagnoses are made, it can in no case replace the consultation with a medical doctor.
